

# Shingletown Fuel Break Field Tour

November 9, 2015, 9 am – 3 pm

**This field tour will visit nearby fuel breaks and discuss good and bad examples, fuel break maintenance, funding and cost-share programs for fuels reduction, methods for fuel break construction and maintenance, and the current status of area fuel breaks.**

Field hosts include personnel from:

- Bear Creek Watershed Group
- California Department of Forestry and Fire Protection
- California Department of Transportation
- Natural Resources Conservation Service
- Sierra Pacific Industries
- U.S. Forest Service
- University of California Cooperative Extension/  
California Fire Science Consortium
- Western Shasta Resource Conservation District
- W.M. Beaty & Associates

**This event is free!**

**To sign up, email or call Ryan by November 6:  
rdesantis@ucanr.edu OR 530-224-4900**

**Meet at Shingletown Rest Area and bring  
water, lunch, and hiking shoes for the field**
